

Frequently Asked Questions

Dates and Times

1. **What is the date of auditions?** Visit take3christiantheater.com
2. **When is it too late to sign up for an audition slot?** It is too late to sign up if all audition slots are filled or it is after close of Pillar's business the Thursday before *Audition Saturday*.
3. **What time should I arrive and how long should I plan to be there?** Plan on being there 10 minutes prior to your scheduled time slot and to stay through the remainder of the hour. Auditions are scheduled in groups. Each person will have an individual private vocal audition judged by a panel and then a group dance audition with other students in their time slot.
4. **I am out of town that week. Can I still audition?** Yes, we accept video auditions. Be aware that the judges will only be able to evaluate the vocal performance and not a dance audition as performed in the video. It is **always** best to audition in person if possible. A video audition is only considered **IF**:
 - A video audition is requested by contacting info@take3christiantheater.com before Audition Saturday.
 - Video audition, Student Application, Parent Application, and Liability Release paperwork are ALL submitted before *Audition Saturday* to info@take3christiantheater.com.
 - You are unavailable to a prior unavoidable, out of town commitment such as a family vacation, or mission trip.
5. **What if I am sick on Audition Saturday?** If an illness arises the day of auditions, call **314-265-0981** right away. If there is a known illness prior to *Audition Saturday*, email info@take3christiantheater.com ASAP.

Cast Requirements

6. **What is the age of participants accepted in the cast?** **14 years old by July 1 of the current year and a High School student who has not participated in a High School Graduation.**
 - **Since my birthday is after the cutoff date and I am considered a provisional student, can I still audition?** Yes, audition opportunities could include those whose birthdays are 13 years old by July 1 of the current year, but casting is unlikely. Take 3 is classified as a high school production therefore, a 13 year old is considered provisional.
 - **What is a provisional student?** A provisional student is one who does not meet the age/grade requirement but may be close (within a year). Although it is rare, there are times a provisional student is accepted. This happens when there is a specific or casting need.
 - **Can my incredibly talented, mature, homeschooled 11-year-old, who is almost 12 and doing 9th grade schoolwork, be considered a provisional student?** We realize there are talented, mature homeschooled students that are 11 and 12 years old, however, because Take 3 is considered a high school production company, **provisional students will only be considered** if they are 13 years old by July 1 of the current year.
7. **Do I need any theater, dancing, singing, or any other performance experience?** No! As a matter of fact, many of our cast members come to Take 3 with no performance backgrounds.
8. **Do you have to be homeschooled to be a part of Take 3?** Yes. We define high school homeschooling as "parent directed" education done either at home, video school, private tutor, learning cooperatives, or dual enrollment. Any combination of the above would be classified as "homeschooling." A student enrolled full time in a school or institution is not considered homeschooled. Homeschooled students that dual enroll in college classes are permissible.
 - **If I am not a homeschool student, may I participate in the company?** Yes, but **not** as a cast member. There are opportunities for 14 years or older by July 1 of the current year, mature, students or adults to be involved

on the tech team, orchestra, set construction, or in other various volunteer capacities. 13 years old whose birthday is by July 1 of the current year may be considered a provisional volunteer.
