

### Philippians 2:1-11

Take 3 Christian Theater seeks to encourage young artists, technicians, and performers to use their God-given gifts/talents to educate, edify, and entertain to bring glory to God. It is Take 3 Christian Theater's desire to be more than a theater company dedicated to developing actors. Take 3 Christian Theater is a ministry whose members are to serve each other and the audience members. Although the cast develops stronger musical, theater, and dance skills each year, being encouraged to do their best to perform with excellence, the greater hope is to bless our audiences and bring glory to God.

### Motto

Educate, Edify, Entertain to the Glory of God

### Objectives

During the Christmas season, Take 3 Christian Theater partners with local ministries to offer theatrical performances for their outreach programs. The ministry projects include a full-length musical production with a Biblically themed emphasis for the St. Louis community in the spring. Take 3 Christian Theater is committed to producing quality productions that support Judeo-Christian values suitable for family-friendly entertainment.

### Goals

Everyone who is a part of Take 3 Christian Theater's company is continually encouraged to seek a heart turned toward God so that His love is reflected in this ministry. Keeping a humble heart is a consistent challenge in the theatrical arts. The Scripture says people can have all kinds of gifts and talents, faith, wisdom, and even good motives, but if they do not have love, it is worthless. When art is used for God's purpose, the focus is on serving others. For this reason, Take 3 Christian Theater seeks for the company to be humble, to be other-centered, to be teachable, to be willing to serve, to encourage, and to defer to one another in brotherly love.

### Free of Charge Productions

Take 3 Christian Theater endeavors to perform musical theater productions free of charge. It is through Take 3 Christian Theater's cast production fees and generous sponsors, donors, and supporters that Take 3 Christian continues to offer productions free of charge.
